Bi-Annual

December 2021

CEO's MESSAGE

Our glittering accomplishments in the year of 2021

Welcome to the December 2021 issue of the newsletter from Asia Pacific Association for Dental & Oral Health. Have a glance of APADENTO achievements that we made battling the Covid-19 pandemic. 2021 delivered APADENTO many unforgettable moments to mark our era towards accomplishing our mission and vision.

We are passionate about providing research scholars with an inspiring global platform to learn, gain knowledge, share research ideas where they feel respected, able to thrive and be a successful researcher. As a leading global source for scientific information with 4K+ members, APADENTO promotes dental & oral health, research and innovation through its journals, magazines and proceedings of more than 200 annual conferences every year. APADENTO supports the professional growth of our members by providing opportunities for professional networking, life-long learning and career development, research assistance & guidance, publishing their research works in reputed journals. Our members & associates together made a few milestones achieved through our R&D activities in nook & corners of the world. With the interest of our members, APADENTO recognizes its ethical behaviour and Integrity responsibility. APADENTO would always show responsibility towards a commitment to innovation and excellence, commitment to sustainability and perseverance in delivering better work towards the society.

Mr. Rudra Bhanu Satpathy
CEO, APADENTO

WONDERFUL COUNTRIES THAT WE STEPPED IN

Dubai, Australia Maldives, Thailand, Malaysia, Singapore, Philippines, Indonesia, Taiwan, Vietnam, UAE, Japan and many more

Webinar

Asia Pacific Association for Dental and Oral Health is one of the leading professional associations committed to improving dental & oral health by promoting advanced science-based evidence through our initiatives in education and research.

APADENTO main objective is to enlighten the fellow members on the challenges, recent advancement, and applications on dental practice in this COVID-19 by organizing this free webinar. As COVID-19 had brought the major challenges to the healthcare system, dental practitioners in healthcare professionals are facing the major issue as they have close contact with the saliva and aerosols. This webinar was a great successful event scheduled on November 20, 2021 with more than 540+ participants all over India with 5 keynote Speakers.
